AUXILIARY MEMBERSHIP REMINDER

In accordance with the Ladies' Auxiliary and Veterans of Lansingburgh Bylaws, Article IX:

1. All members of the Ladies' Auxiliary and Associate members are required and expected to actively participate on at least (1) committee/team.
2. Failure to participate on a committee and support the Veterans of Lansingburgh shall be grounds for that member's membership not being renewed at the end of the year.
3. ANY member unable to participate on a committee shall submit in writing to the President of the Ladies Auxiliary (Auxiliary Members) AND to the President of the Veterans of Lansingburgh their reasons for being unable to participate. Non-participation shall only be granted for good and sufficient reason, i.e., health issues, work schedule, etc. Reason must be satisfactory to the President of the Ladies Auxiliary (Auxiliary Members) AND the President of the Veterans of Lansingburgh.
4. Non-renewal of membership for not actively participating on a committee/team shall be the sole decision of the Officer's & Board of Directors of the Veterans of Lansingburgh and is not open to appeal.

The Veterans of Lansingburgh was founded in 1946 by Veterans for Veterans and their families and friends. Because of the status of "Veteran" those members were not required to work to retain their membership. Non-Veterans (Auxiliary & Associate) are required to work for the betterment of the Veterans of Lansingburgh, or risk having their renewed membership denied. We strongly urge you to participate on a team/committee so you can retain your membership and better the organization. There are always tasks to be done and it doesn't necessarily mean working parties or working in the kitchen. Contact your team captain to find out what other options maybe available.

Veterans although not required to work, are **STRONGLY ENCOURAGED** to help out around the club. Many Veterans do help out, but if more pitched in, it would lighten the workload on everyone who does help.

Lastly, a reminder about dues for Auxiliary members. Your dues **MUST BE PAID** no later than December 31st or you must reapply for membership and be voted back in to the organization. To avoid that happening, make sure you renew your dues early.

Sincerely,

Madam President Ladies Auxiliary
President Veterans of Lansingburgh
